

Side 1: Please choose 1 (circle) and describe below (~8 min.)

- A. Have you ever experienced fear EMERGING & surprising you during creativity? If so, please share your experience.**
- B. Have you overcome fear or uncertainty in creativity? If so - in what way? If not - what obstacles do you think prevented you?**
- C. How might you describe (or depict) experiencing fear in your creative process? A list of words, a scenario, a picture/image - anyway you'd like.**

Additionally, free to leave any insight, comments, resources or other connections with fear in creativity, as well (if one of the questions above didn't resonate with you.)

Side 2: Please respond (2 min)

What are you left wondering at the end of this presentation?

What was meaningful to you (+)?

What could be done differently (Δ)?

Wondering...
